Free sample E-book: Wizardry I Manifestations E-book. A magical poetry book inspired by cats that reveals a world mostly inhabited by wizards with very unusual abilities. We are so convinced that you'll enjoy our first book sample that you'll consider the other cat magic poetry books.

The epic poem "Atlantis" included in the collection tells of the reincarnation of a continent that holds the key to incredible knowledge, wisdom, and cosmic mysteries. This poem describes the thunderous rising of Atlantis with all its magical beings free at last from the bondage of the ocean floor to surface as a neon world under an umbrella of northern lights. . . Who and what will come forth, bringing you to a new state of consciousness and spirituality like the coming of the gods?

Imagine the metamorphosis of time and space recycling, dimensions merging, wizards manipulating all things spiritual and physical, manifesting what might appear to be a surrealistic fantasy on the order of a Mad Hatter's Ball. Voila! We have true wizardry in motion. So let wizards dance to shaman's drums as a sounding prelude to the three Wizardry e-books. The poetry in Wizardry1 Manifestations will catapult your mind into an incredible realm of wizardry never before witnessed or realized or realized.
